

Parent Comments

Newton County School System encourages parent input and comments at any time regarding the parent and family engagement policy. All parent feedback will be used to revise the current policy for the next school year. The policy is posted on the district's website and paper copies are available at the Board Office. We administer an annual survey for all parents to provide feedback and make any suggestions that parents find important. Parents may also offer feedback at their child's school revision meeting held in the spring.

If you have any suggestions or if there is any part of this plan that you feel is not satisfactory, please provide us with your comments in the space provided and leave this form in the main office of your child's school:
